Basis

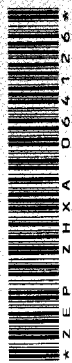

- Detailed documentation concerning the production of the above named products
- Carrying out of supplementary tests in our laboratories (test report ZHXA 084455.1)
- Manufacturer's declaration of conformity in accordance with EN ISO 17050-1

Suitability The above-mentioned products may be used without any restriction in the manufacture of textiles, which are optimized in accordance with human-ecological aspects.

The results of tests on the certified products or on textiles, which have been treated with these products, demonstrate no detrimental effects to the human-ecological properties of the textiles treated in this way, provided that the products are used in accordance with manufacturer's instructions. The test methods and requirements of the Oeko-Tex® Standard 100 were used for the assessment.
