	Magnaprint® Eco White HW	Magnaprint® Eco Yellow HG
	Magnaprint® Eco Orange HO	

**Basis**

- Detailed documentation concerning the production of the above named products
- Carrying out of supplementary tests in our laboratories (test report ZHXA 085099.1)
- Manufacturer's declaration of conformity in accordance with EN ISO 17050-1

**Suitability** The above captioned product/product group can be used for the production of human-ecological optimised textiles. Depending on the application of these products by the textile producer respectively textile finisher a control on the following human-ecological parameters is needed of the corresponding treated textiles: heavy metal, phenols, AZO dyestuffs, colour fastness

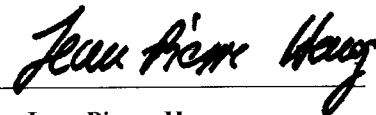

The results of tests on the certified products or on textiles, which have been treated with these products, demonstrate no detrimental effects to the human-ecological properties of the textiles treated in this way, provided that the products are used in accordance with manufacturer's instructions. The test methods and requirements of the Oeko-Tex® Standard 100 were used for the assessment.
