

APPLICATIONS

Abrade degrease, and prime new mesh for stencil making.

CHARACTERISTICS

- ◆ Micro-abrasive, powerful detergent and wetting agents in one liquid product
- ◆ Does not clog mesh openings

FEATURES

- ◆ Roughens and prepares new monofilament synthetic fabric for superior emulsion adhesion
- ◆ Dyed color ensures complete rinse from mesh
- ◆ Highly recommended for use with capillary films

BENEFITS

- ◆ Reduces new mesh preparation to one highly effective step
- ◆ Eliminates fisheyes and streaks in coatings
- ◆ Maximizes exposure latitude and adhesion for both emulsion and capillary film stencils
- ◆ Optimizes resolution, definition and stencil life

DIRECTIONS FOR USE

For new monofilament synthetic mesh, apply SaatiChem Direct Prep 1 to both sides of a wet or dry screen. Scrub thoroughly with a stiff brush. Rinse the screen with a strong water spray to remove all traces of Direct Prep 1. Dry the clean freshly abraded screens and use immediately or store in a dust-free environment.

HEALTH AND SAFETY

Before using, refer to appropriate material safety data sheets.

✚ MSDS available at <http://MSDS.SaatiExpress.com/Pretreatments>

STORAGE

When sealed in the original container and stored in cool conditions, Saati Chemicals products will maintain their original properties for two years from the date of production.

PACKAGING

Direct Prep 1 is available in one kilogram containers. In North America available in one, five, and fifty US gallon containers.

WARRANTY & LIMITED WARRANTY

The directions, recommendations, and specifications contained in this Product Bulletin are meant as a guide to the use of the product and shall not bind the company. Product specifications are subject to change without notice. The following is made in lieu of all other expressed or implied warranties, including any implied warranty of merchantability or fitness for a particular purpose:

All SaatiChem manufactured liquid products are warranted to be free of defects in materials and manufacture and to meet the specifications stated in SaatiChem's applicable Product Bulletin. SaatiChem will replace or refund the price of any SaatiChem manufactured liquid product that does not meet this warranty within the applicable warranty period.

The remedies are exclusive. In no case shall SaatiChem be liable for any other direct or indirect damage or loss, including without limitation any incidental, special, or consequential damages, or any material costs or labor charges incident to the removal or replacement of any mesh, screen, ink, substrate, finished graphic or any other item.

SaatiChem is a trademark of the SaatiGroup. Products manufactured in Italy, USA and China
