

REMOVE HR1

READY-USE HAZE REMOVER PASTE

APPLICATIONS

Removes stains, haze, ghost images from mesh for screen recycling.

CHARACTERISTICS

- ◆ Ready to use gel
- ◆ Designed to remove diazo stains
- ◆ Combine with Remove IR for improved ink removal

FEATURES/BENEFITS

- ◆ Can be left to dry on mesh and then reactivated with solvent for simplified batch cleaning of screens
- ◆ Low caustic formula will not break mesh

DIRECTIONS FOR USE

After ink and stencil removal, spread gel on mesh. Allow to stand until diazo stain has lightened and then remove with high pressure water rinse. Alternatively the product can be allowed to dry and then reactivated by application of solvent spray to remove ink haze.

HEALTH AND SAFETY

Before using, refer to appropriate material safety data sheets.
